

THE NEWEST ZAPAK STRAP WELDER! WE SAVE YOUR COST ON METAL SEALS!

No Manual Sealer and
No Metal Seals available
for 25mm PET straps?
Zapak ZP-SW25A is
your Best Solution!

NO-METAL-SEALS

ZP-SW25A Heavy Duty Battery Powered PP& PET Strap Welder Up to 25MM

Equipped with Bosch 18V, 4.0 Ah (4000mAh) Li-Ion Battery

Latest technology

- * **Brushless motor-ZAPAK** patented single motor design provides extremely long service life.
- * **Bosch Li-Ion battery- 18V 4.0Ah** rechargeable battery with smart Charge Level Indicator (CLI)
- * **Bosch 30 minutes charger**

Cost Savings

- * **No metal seals required.** Reduce packaging costs by eliminating costly metal seals and save time.
- * Work with 19 mm and 25 mm PET manual tensioners as a perfect combination **to replace steel strapping.**
- * Low maintenance cost on durable mechanism structure and long-life brushless motor.

Powerful & Safe

- * **Perform multiple sealing joints** and maximize safety of transportation.
- * Strong friction weld seals make it a perfect tool for any industries.

Smart & Easy

- * **New beveled bottom sealing base** allows easy and quick insertion under the tightened straps.
- * Connect two different strap rolls to save strap feeding time and ensure non-stopping operation.(*remarks 1*)

Efficient

- * Friction weld sealing. High sealing efficiency over 85%.
- * Complete high performance of sealing job in seconds (sealing time range: 0.6-4.8 seconds)

Specification

Model	Battery Charger Voltage	Fits poly strap	Max. Strap Width		Max. Strap Thickness		Sealing Efficiency
			mm	inch	mm	inch	
ZP-SW25A	100V	PP & PET	25	1	1.53	0.06	85+-5%
	115V						
	230V						
	240V						

Remarks 1:

For safety, sealing joint(s) need to be reinforced for such connection. Maybe it's necessary to adjust sealing time longer to get an efficient seal or multiple seals.
